

INTERNATIONAL LITERACY DAY 2021

8th September 2021

*Literacy for a human-centred recovery:
Narrowing the digital divide*

LITERACY RATES, 2019

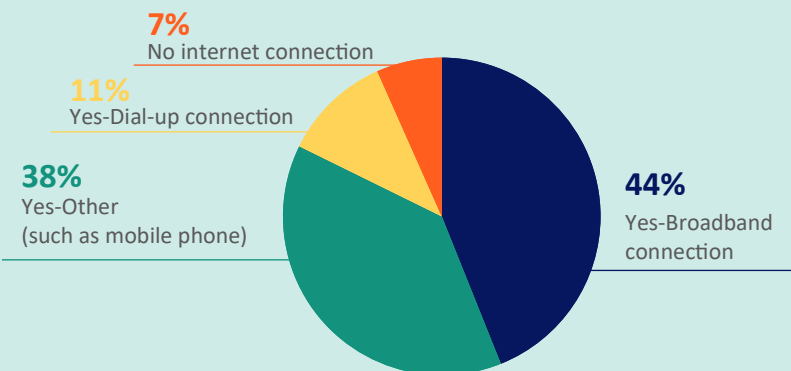

Resident Maldivian population 10 years of age and above

Source: Household Income and Expenditure Survey 2019

ACCESS TO INTERNET AT HOME, 2020

Source: How children are coping during the lockdown, 2020
This was a quiz conducted for children from 10 to 15 years (Grade 5 to Grade 10) and was carried out from 10 May to 14 May 2020.

7% kids reported that there was *no internet* at their home.
