Notes

1. Revised on 31st March 2016.
2. Current account as a percentage of GDP for 2015 is based on GDP forecasted by Ministry of Finance & Treasury.
3. Some of the assumptions and methodology used in the compilation process has been revised as of 30 October 2014. Therefore, this table is not comparable with publications before October 2014.
4. The financial account and parts of the services account has been compiled based on new methodologies.
