Source: Ministry of Fisheries and Agriculture

2007-2012 : 9.2 : 2007 - 2012 : 2007 - 2012

Note: Fish catch data for 2010 shows a substantial upward revision from 94.3 to 116.7 thousand metric tons, based on the fish collection data by vessel, newly available at the MOFA. Some vessels had not reported catch data while reporting collection. Hence this adjustment could not be brought to previous years catch data to make it consistent.
